Dr. C. F. Wiest

DR. C. F. WIEST, professor emeritus of philosophy, whose teachings during the past twenty-eight years have been a guiding inspiration toward high ideals among the students of Fort Hays State, we dedicate the 1949 REVEILLE.

Although no longer an active member of the faculty, Dr. Wiest's sound advice and counselling are still sought by Fort Hays students who feel a deep respect and admiration for his human understanding. His inspiring words, his love for truth and beauty, and his never-tiring service to his school and community, will always remain as a permanent influence upon the thousands of people who know him. Not only is he a truly great teacher, he is also a truly great friend.

STUDENT COUNCIL

AIDING THE administration and faculty in making campus decisions is the Student Council, a popularly elected group which has as its purpose the enforcement of the will of the student body as a whole. This group with three representatives from each class as well as three from the campus at large, is the democratic body which fulfills the student ideal of self-government. The group takes an active interest in keeping a working code of rules and better-

ing the life of the student on the campus whenever possible.

Led by John Murphy, president, the council took a lead during the year in arranging such activities as the Saturday night varsities and the collection drive for the annual March of Dimes campaign.

Other officers for the year were Archie Harman, vice-president; Rosanna Healy, secretary-treasurer. Dr. E. R. McCartney is sponsor for the group.

IT IS IN THE meetings of the Panhellenic Council that problems and difficulties that arise in the sororities are discussed and settled. With the recent affiliation with the National Panhellenic Council the Panhellenic group has met and handled new problems.

The membership in the council is supplied by two members from each sorority and offices are filled on a rotational basis. Mary Alice Gottschalk, Theta Sigma Upsilon, was president for the year.

Miss Gaynelle Davis with the assistance of Miss Verna Parish and Miss Wilma Wolf served as the Preferential Bidding Committee.

PAN-HELLENIC COUNCIL

IN AN EFFORT to promote close harmony among the four social fraternities on the campus, the Inter-Fraternal council, under the sponsorship of Dr. R. V. Coder and Dr. Harley Garrett, played an important role in the social activities of the school this year.

Each Greek fraternity is allowed two members on the council, and this group serves as the governing body for the fraternal life on the campus. Such activities as the rush week smokers are sponsored by the group. In cooperation with the Pan-Hellenic council, the Inter-Fraternal council also took charge of the All-Greek formal in March, and are even now making plans for the Greek conclave to be held this summer.

Archie Harman, Phi Sigma Epsilon, was president of the organization.

ORGANIZATIONS

MEMBERS OF THE WOMEN'S Leadership Organization are chosen primarily by the faculty women with the help of present members. It is a group of young women of the college who show outstanding leadership abilities, and who have the possibilities of promoting leadership principles on the campus. President of the group this year was Mary Lou Fellers and the faculty sponsor was Mrs. Nita Landrum.

WOMEN'S LEADERSHIP

THE QUALITY OF leadership is the prerequisite for Seventh Cavalry. Composed of fifteen men who through their outstanding achievements in the varied fields of activity on the campus, the group has as its aim the development of leadership not only in college but in post-college life, the promotion of worthwhile activities, and the advancement of college training. To become a member, a student must have the unanimous approval of the organization.

Among the worthwhile activities promoted by the club this year were the publishing of the Delator, college directory, and the conduction of a school in parliamentary procedure for officers of various campus organizations. Harold Gill was presiding officer for the year.

SEVENTH CAVALRY

DELTA EPSILON, the goal of all science majors, is a national honorary society composed of members of the science faculty and scholastically high ranking seniors whose work is in any one of the great sciences.

Believing that each of the sciences has problems relative to those of the others, the purpose of the group is to promote discussions of these problems in an effort to affect a better understanding among the different fields.

Officers for the year were: Dr. H. C. Choquill, president; Everett Marshall, vice-president; Dr. Harvey Zinszer, secretary-treasurer.

DELTA EPSILON

SINCE ITS INSTALLMENT on the Fort Hays campus in 1939 the local chapter of Sigma Pi Sigma, national honorary physics fraternity, has come more and more to play an outstanding role in the campus life of our prospective Einsteins. The purpose of the organization is to encourage the study of physics and to recognize high scholastic scholarship in that field.

This year, under the leadership of Harold Gill, president, the group presented various programs to its members in an effort to further the understanding of the problems connected with the world of physics. Other officers were: Della Jean Furbeck, secretary; Dr. H. C. Choquill, treasurer; Dr. Harvey A. Zinszer is faculty sponsor for the group.

SIGMA PI SIGMA

THE FOSTERING of interest and understanding of the problems which become manifest in the field of the social sciences is the over-all aim of Pi Gamma Mu, national social science fraternity. In an effort to meet that objective, the group has during the year sponsored programs which have aided in the development of more open-minded and better informed thinking on the part of the members.

To be eligible for membership in Pi Gamma Mu, a student must be a junior and have a high scholastic achievement in the field of social science. New members are selected by the faculty members of the organization, and are initiated each semester at a banquet at which some well-known speaker discusses some current social problem.

Officers for 1948-1949 were president, Gilbert Ellithorpe; vice-president, Donald Slechta; and secretary-treasurer, Jack Rodgers.

PI GAMMA MU

THE FORT HAYS Kansas State College Honor Society was organized in 1937. The purpose of the organization is to emphasize and stimulate the qualities of scholarship, character, and sense of community responsibility which should be the main goals of a college education. Each year the organization chooses members from the top twenty per cent of seniors and graduate students for honorary admission to the society.

New members for the year were graduates: Byron Blair, John Launchbaugh, William Reed, Vernald Rowe; undergraduates: Claude Bray, Russell Bray, Nellis Briscoe, Roy Carter, Velma P. Deyoe, Jack Finch, Esther Hayes, Robert Kitchen, Robert Marple, Glenn Neumeyer, Helen G. Shell, Marvin Swanson, Orva Jean Wolf; faculty: Nita Landrum, Dr. Harold Choguill, Dr. H. B. Reed and Dr. Harvey A. Zinszer.

Officers for 1948-1949 were Dr. W. D. Moreland, Acting President; and Maude Gorham, secretary-treasurer.

F. H. K. S. C. HONOR SOCIETY

KAPPA PI, national art fraternity, is composed of members chosen from the art department whose scholastic achievement has met rigid specifications. It has as its goal the promotion of art interest among college students of all departments, the development of unusual talents and abilities in the field.

Each year the various artists sponsor exhibits of original as well as "imported" works and play a leading role in community activities during National Art Week. The local chapter has the distinction of having among its membership the national vice-president of the organization, Drew Dobosh of the art faculty.

Miss Mable Vandiver, head of the art department, is the faculty sponsor for the local chapter, and officers for the year were: Martha Lou Morlan, president; Rosanna Healey, secretary-treasurer.

KAPPA PI

THE INCREASING role which foreign affairs is taking in our daily lives make the field of international relations a most important one. With this in mind, the International Relations Club has sought during the year to promote a program of better understanding of the tremendous difficulties with which the world is confronted today. At the same time, they have made intensive studies of the people and cultures of the various countries of the world in the belief that much of our international political misunderstanding is due partly to a lack of understanding of the people themselves.

Through a series of lectures, discussions, and informative programs in which all members participated, a better informed citizenry emerged from the organization at the close of the school year.

Fred Deyoe served as president during the year.

INTERNATIONAL RELATIONS CLUB

KAPPA PHI is a national collegiate organization for Methodist preference girls. Its basic aim is to make every Methodist woman in the college world today a leader in the community church tomorrow.

Kappa Phi is so organized as to form a closer association among Methodist women students, to make their work more effective and sufficient, to take care of incoming freshmen each year, and to provide in a college woman's way religious training, leadership and a wholesome social life that they may be stronger and more efficient women of the church and the world in future years. Madeline Maxwell served as president for the year.

KAPPA PHI

DELTA SIGMA THETA

"STUDY TO SHOW thyself approved . . .
workmen that needeth not be ashamed . . ."

With the above thought in mind the members of the Young Men's Club of the First Methodist Church became active members of Delta Sigma Theta, a national religious fraternity for college men of Methodist preference, on January 31, 1948.

The purposes of Delta Sigma Theta are to create a closer and more intimate Christian atmosphere, and to organize life around the Master of Life; to develop effective leadership of the clergy and laity in the church; to provide religious training and to encourage a study of the Bible; to acquaint Methodist men with the history, activities, and purposes of the church; to promote wholesome social activities. Officers for the year were: Roy Duell, president; Paul Krause, vice-president and Gordon Maxwell, secretary.

THE FORT HAYS CHAPTER of the National Newman Club is an organization of Catholic men and women who have as their basic purpose the encouragement of cooperative religious activities of Catholic students and the promotion of a wholesome social life among its members.

The name of the club is derived from John Henry Newman, one of the first to recognize the necessity of high spiritual ideals for college students. The ideals which guided Cardinal Newman were sincerity, truth, intellectual honesty, and courage. To carry on these ideals is the goal of the local organization.

James R. Start is the faculty sponsor for the group and officers for the year were: Mary Jane Kitchen, president; Margaret Carman, secretary; Helen Reising, treasurer.

NEWMAN CLUB

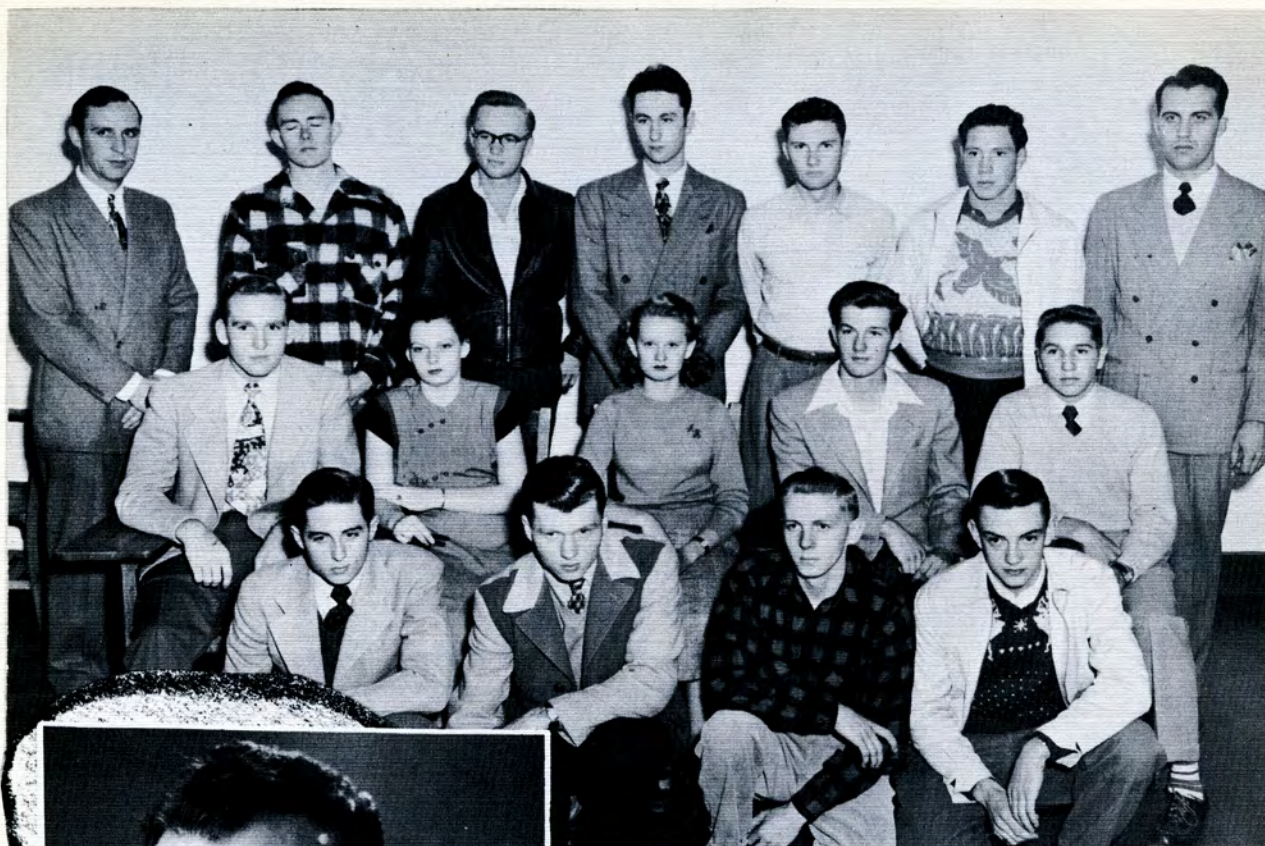

DEBATE CLUB

THE PROMOTION OF BETTER speaking and more logical thinking is the goal which members of the debate squad have sought to attain this past year. In an effort to develop all around ability the group did not confine themselves to debate only, but participated in such related fields as oratory, extempore speaking, and discussions as well as radio work.

Members of the squad participated in invitational tournaments at Kearney Teachers College in Nebraska, McPherson College, and the University of Nebraska meet in Lincoln. Besides these, members of the group competed in the Kansas Debating League tournament at Bethany College at Lindsborg and the national Pi Kappa Delta competitions in Peoria, Illinois.

Effective participation in intercollegiate competitions enables the forensic students to become eligible for membership in Pi Kappa Delta, national forensic fraternity. This year only two members, Robert Earnest and Joe Anstine, were left on the campus, but after the year's competitions, the membership was considerably increased in the late Spring initiations. Mr. James R. Start is faculty sponsor for the group as well as coach.

THE PRE-MEDIC CLUB has as its membership the medical technologists, doctors, dentists, and nurses of tomorrow. Its basic purpose since its organization in 1943 has been to bring together the pre-medical students on the campus in an effort to give them a common basis for discussing the technical problems of the medical profession. With its ideal of humanitarian service, its program of medical brotherhood, and its encouragement of medical knowledge, it plays an important part in the college life of each pre-medical student.

This year's officers included: Jack Phipps, president; Kenneth Dellett, vice-president; Marvella Remmert, secretary-treasurer. Edwin P. Martin was the faculty sponsor of the group.

PRE-MEDIC CLUB

ENGINEERS' CLUB

PRE-ENGINEERING students meet twice each month as the Engineers Club to discuss current problems of interest to the field of engineering. Each member is required to take an active part in the meeting's discussions. Many worthwhile programs were brought to the club this year in order to give each member a well rounded knowledge and background of the field which he has chosen.

Henry Unruh acted as president during the 1948-49 school year.

FUN HAS HELD its head forth this year at Residence Hall with sessions ranging from cards and just plain bull to studying. The dormitory has been active in intra-murals and other activities about the campus.

Mrs. Etta Miller, housemother, has held the fort as general commanding officer and has endeavored to make the dormitory home and to keep all from majoring in campusology.

Cheerleader Gerald Huber has capably led his fellow students as president.

RESIDENCE HALL

LEWIS FIELD STADIUM

CARD PARTIES, late hours, and general fooling around plus a little studying has kept Lewis Field Stadium livened up throughout the year. Featured have been barn dances which were viewed with favorable comments by all who attended.

Under the leadership of Wesley Scheuerman the men of the Stadium experienced two semesters of relaxation and cogitation.

REVEILLE STAFF

THE REVEILLE STAFF OF 1949 has attempted to compile in this yearbook a combination of photography and artistic talent found on the campus.

Members who were major participants in the construction were:

EditorRUTH FRESHOUR

Associate Editor....ELEANOR STUPPY

Business Mgr.....RICHARD BURNETT

Art Editor.....ROY DUELL

Student EditorMARY LEE JAMES

Faculty Sponsor:

WALTER WALLERSTEDT

Others assisting were: Joe Anstine, Dorothy Luce, Judy Kahn, Alpha Hiskey, Shirley Schmidt.

LEADER

IN SPITE OF rushing around all over the campus gathering news until the very last minute, shortages of copy, failure of key stories to materialize and all the other headaches that go into the publication of a weekly paper, the Leader staff came through with flying colors this year. Leland Heinze, journalism instructor, had the push that seemed to keep all the wheels rolling even when things seemed almost too heavy; and Walter Wallerstedt kept the print shop going at full speed ahead.

STAFF

Co-Editors RICHARD DILSAVER, MARLYN STORM
 Business Manager WARREN PETERSON

ORCHESTRA

THE CHOIR, under the direction of Dr. Robert Taylor, supplied pleasant listening for campus audiences during the school year.

Besides providing many outstanding programs for the student body, including the "Messiah" during the Christmas holidays, the group took good music to surrounding communities during their tour in late spring.

A CAPPELLA CHOIR

SIGMA ALPHA IOTA

SETTING THE PACE on the campus in the field of music this year was Sigma Alpha Iota, national music fraternity. Under the presidency of Marvel Hull, the girls provided a variety of artistic programs for the student body. Among these were the pledge recital and the piano recital of Eleanor Reigel in the spring.

The S.A.I. group was also active in other fields, too. During the fall homecoming festivities they won first place in house decorations and stunts.

UNDER THE CAPABLE mothership of Mrs. Bower, the girls who make Wesley Hall their "home away from home" enjoyed a fine school year. Highlighting the year were parties in the dorm on holidays and other special occasions and then there were those never to be forgotten formals.

President of this group of girls was Alma Hueftle and the secretary-treasurer was Clariiece Bertram.

WESLEY HALL

EIGHTY-EIGHT GIRLS under the leadership of Pat Underwood found that life across the bridge wasn't so dull.

CUSTER HALL

THE PROMOTION OF STUDENT pep and spirit on the Fort Hays campus was the prime concern of the Campus Booster council the past year. The organization, which only a year ago was sanctioned by the Student Council as the governing body for all pep organizations and activities, is a representative body consisting of one member from each of the major organizations on the campus.

Headed by Paul Miller, Kappa Sigma Kappa, the group did much toward arousing patriotic fires in the hearts of Fort Hays students by such activities as pep assemblies, bonfires, and general interest campaigns throughout the year.

CAMPUS BOOSTER COUNCIL

W. A. A.

FOR THE WOMEN on the campus that liked to combine play with work their goal has been W. A. A. Under the guidance of their president, Harriet Keplinger, they sponsored their traditional carnival, which was a big success. Besides their social affairs they carry on an extensive women's intra-mural program.

In the spring another annual custom was carried out and this was their high school play day.

Dr. Robert Taylor portrayed
"Scrooge" and was sup-
ported by a cast of college
students.

THEATRE

FORT HAYS THESPIANS found an outlet this year in Little Theatre. The organization, under the guidance of Roy Gertson, President, achieved great success during the year through first class productions of three well known plays.

"Our Town", presented in November, was notable for the superb performances of the entire cast. Gayle Combest portrayed the stage manager and Rosanna Healy and James Pettigrew interpreted the romantic leads.

"The Christmas Carol" was given in December just before the Christmas vacations. The Hays Chamber of Commerce co-sponsored the performance and special times were set in order to give Hays grade school students the opportunity to see and hear this famous tale. Dr. Robert Taylor as Scrooge, headed an exceptionally brilliant cast.

Tom Hunsicker and Mary Lou Fellers played the principal roles in the spring production of "The Two Mrs. Carrolls". This exciting suspense drama proved to be a big hit. Superb directing as well as acting was the key to its success.

The dramatic productions were all under the direction of Miss Harriet Ketchum and Dr. Geneva Herndon, who in their first year of the college revived the dramatic interest of the campus from the depths of indifference.

During February, Fort Hays was granted a chapter in Alpha Psi Omega, national honorary dramatic fraternity. Ten students were able to meet the eligibility requirements and impressive installation ceremonies were held in the Oil Room of the Lamer Hotel. Dr. Herndon and Miss Ketchum are sponsors of the fraternity. Gayle Combest serves as director.

ALPHA PSI OMEGA

A WORKABLE KNOWLEDGE and proficiency of the German language and culture is the aim which members of the German Club sought to achieve during the year.

Composed of students of the language, the group sponsored programs and parties which gave the students a clearer conception of the peculiarities of the German tongue. Mrs. Emma Golden is faculty sponsor.

Donald Fleming served as president and was assisted by Lois Bell who served as secretary.

GERMAN CLUB

SPANISH CLUB

THE UNDERSTANDING of the culture of our neighbors south of the border, as well as their language, served as the keystone of Spanish Club activities throughout the year. One of the most recently organized groups on the campus, is fast becoming a leader in the promotion of pan-Americanism through the medium of a thorough knowledge of the conversational language of the peoples to our south.

Modesto Jacobini, head of the language department, is faculty sponsor for the group and Frank Carmen served as president for the year.

FOOT BALL SEASON IN REVIEW

The 1948 grid season opened with a tilt at Lewis Field with the Coyotes of Kansas Wesleyan.

The Tigers threatened often in the first half but fumbles and penalties prevented them from scoring. The second canto was a different story, however, and speedy Jack Hague lead the Bengals to a 21-0 victory.

Northwestern Oklahoma proved a worthy foe but came out on the short end of a 20-0 count. Gley "Digger" Lowe provided some of the fireworks in this fray by bringing the crowd to its feet with a sparkling 69 yard touchdown run.

In the first conference game at Winfield against Southwestern's Moundbuilders, the Tigers were forced to come from behind to win 20-7. Al Billinger's 35-yard touchdown aerial to end, Don Nichol, knotted the count and Hague added two more counters, one coming on an 84 yard jaunt.

Pittsburg State was next on the agenda and when Jack Hague flashed 94 yards to paydirt with the opening kickoff it was all the spark needed to send the Tigers off to a 27-7 triumph.

The Homecoming tilt brought St. Benedict's Ravens to Lewis Field but a hard charging Tiger line and a host of slick running backs was too much for the Atchison boys and they went down to defeat by a 40-0 score.

The powerful Emporia State Hornets proved too tough for the Tigers and they lost their first game of the season 25-0.

Injuries in the Emporia game were numerous and when the Tigers departed for Kansas City to meet the Rockhurst Hawks they were without the services of Don Leuszler, Bill Campbell, and Jack Hague. Coach Huffman's gridders tried valiantly but were unable to cope with the Hawk passing attack and they dropped a 20-7 decision.

Fort Hays fooled many Sports scribes when they held highly regarded Washburn U. to a 6-6 tie on Lewis Field.

A trip to Las Cruces, N. M. to meet the New Mexico aggies was the season's finale.

The Border Conference team came from behind to trip the Bengals 27-14. Jack Hague, red headed speedster from Oberlin, not only made the All-Conference eleven but he also received honorable mention on the Little All-America squad.

Leuszler, Johnson, Skubal, and Andree made the 2nd All-Conference team while Nichol, Harman, Johnston, and Murphy were given honorable mention.

Next season Coach Huffman will be without the services of such fine players as Archie Harman, Paul Andree, Gley "Digger" Lowe, Don Davis, John Dickerson, Dale Huxman, Vint King, and Ken Guthrie.

BASKET BALL

THE '48-'49 HOOP SEASON saw the Tigers win 16 of 22 games and clinch second place in the conference.

In the first two games the Suranmen took victories from Western Colorado State. Two tilts with Kearney of Nebraska netted another pair of wins.

The Tigers opened the conference season with Rockhurst, a new conference member, and showed the Hawks that it wouldn't be easy picking by spilling them 65-41.

The Four State Tournament at the Coliseum found the Tigers downing Central State of Missouri but falling before the powerful Regis College of Denver.

On their first road trip Hays failed to get going and dropped consecutive frays to Washburn, St. Benedict's, and Wichita U.

The locals stopped Kansas Wesleyan at Hays but lost to Southwestern's Moundbuilders on the Winfield court. The Bengals came out of their foreign court jinx by topping Rockhurst at Kansas City and Kansas Wesleyan at Salina.

When Southwestern met the Tigers on the local maple they touched off a 68-42 Hays' victory. Even Wichita U. of the mighty Missouri Valley Conference could not stem the tide on the local court.

After losing a 66-60 heartbreaker to the Hornets at Emporia, the Tigers pulled one out of the fire at Pittsburg by a 56-55 count.

Washburn U. with its fine center, Tom Carlson, moved into the Coliseum and the fans were treated to a thriller in which the lead changed hands more than a dozen times but when the final gun sounded Hays led 66-58.

St. Benedict's Ravens never got a chance on the Tiger court when the Suranmen connected from every angle to trounce the Atchison crew 90-56.

Pittsburg State surprised local fans by matching the Tigers basket for basket until the final minutes when Carl Paustian and Harry Vinson dunked deciding field goals.

Emporia State with the CIC title already tucked away moved into the local spotlight and found themselves out-scrapped and out-shot to the tune of 69-57. The Hornets never held the lead in this battle which resulted in their only conference loss.

Don Nichol, Glenn Conner, Harry Vinson, Carl Paustian, and Al Billinger usually made up the starting five but they were ably backed by "Dutch" Moeckel, Fred Simmons, Glenn Mitchum, Curt Tarrant, and Guy Conner. The latter two are newcomers as are Bob Ziegler, Pete Dawson, and Buddy Tomlins. Other members of the team are Arden Cronn, Don Leuszler, and Fred Pohlman.

Coach Suran loses but one player through graduation; but senior Harry Vinson's rebounding abilities will be missed by Fort Hays in 1950.

TWO SEASONS UNDEFEATED

FOR THE SECOND consecutive year the speedsters of Coach Alex Francis finished the season undefeated.

The Tigers opened the 1948 season against Kearney State. This team was the Nebraska State champion of 1947 and would have gone through '48 undefeated but the Black & Gold marred their record.

Their next test was the Emporia Relays. In a meet of this type, points are allotted for each event the same as in any ordinary Track Meet except that each school enters 4 men in each Field event and these points are awarded on the basis of composite scores. All Track events are 4 man relays.

Ft. Hays gained top scoring honors in the 440 yd., 880 yd., and Mile Relays. The composite score gave the Tigers a victory in the Javelin throw and a tie with Wichita U. in the Pole Vault. As a result of their fine performance Hays garnered more points than any of the other schools that competed in their class.

No further serious opposition was encountered until the Tigers journeyed to Pittsburg for the CIC Meet. Although they were tied by Emporia State in this meet the Tigers undoubtedly were the most outstanding group there.

Les Pelzel closed his career at Ft. Hays by scorching over 100 yds. of cinders in 9.7 seconds. Not only did this set a new CIC Record but it made Les the only Ft. Hays athlete ever to hold a Central Intercollegiate Record.

Don Hertel set a Ft. Hays Record by running the 220 yd. dash in 21.2 seconds. By virtue of their victories in the Conference Meet, Don Hertel, Don Nichol, Les Pelzel, and Fred Simmons made the All-Conference Team. For Hertel this is the second time that he has made that select group.

A Mile Relay team made up of Hertel, Nichol, Kennedy, and Yochum annexed that event.

TENNIS AND GOLF

INCLEMENT WEATHER kept the action of the Tennis and Golf teams down to a minimum during the '48 season but a few matches were arranged and played.

The netmen opened the schedule with Kearney of Nebraska and gained a 2-1 victory. Although they were unable to annex the singles match they did claim two doubles matches. Dutch Moeckel, Eugene Ray, Carl Brecheisen, and Rich Roemer made up the winning combinations.

In the next match with Kansas Wesleyan the Tigers were swamped by the rampant Coyotes. Brecheisen and Roemer teamed to salvage the only Hays victory.

The Bethany Swedes were just as tough and two doubles triumphs were all the Tigers could gain.

In the CIC matches the local courtmen failed to score despite an inspired performance by Charlie Pearson.

The following men gained letters in Tennis—Don Moeckel, Eugene Ray, Rich Roemer, Carl Brecheisen, Norvin Snook, and Charles Pearson.

The Golfers were unable to win any of their two matches with Kansas Wesleyan but they surprised their followers by grabbing a third place rating in the Conference matches.

The Links team was composed of Bob Blazer, Jerry Scheer, Virgil McKinzie, Charles Cleveland, and Joe Beggs.

INTRA-MURAL

AS THE SEPTEMBER enrollment ended, the touch football season got under way and many exciting contests took place on the field adjacent to the football stadium. Tau Kappa Epsilon led by slick running Dale Hearon, came through with the cup in their possession.

Roger Brown and Don Davis of Phi Sigma Epsilon eliminated all competition in the golf tournament.

Hank Pohlman of Kappa Sigma Kappa was the victor in the shuffle board singles while the Phi Sigs annexed the doubles title.

The TKE's Bob Gorham won the aerial darts singles and teamed with Duane Foulk to claim the doubles award.

Kappa Sigma Kappa gained more points, when Loren Cole and Adolph Mares took the table tennis doubles and Cornelius Bamber annexed the tennis title.

George Vemich picked up some counters for Lewis Field when he won the table tennis singles crown.

Two basketball leagues were organized, one for organizations and one for independent teams. Phi Sigma Epsilon's powerful aggregation won the organization title for the third consecutive year and thus restored themselves as a contender for the Intra-murals cup which they have held the last two seasons. The Andies, a slick passing outfit led by Don Hertel, showed its heels to the other members of the independent league.

At this writing, the TKE's hold an edge in team points but they will face strong opposition from the Kappa Sigs as well as the Phi Sigs.

ATHLETES WHO EARN letters in varsity intercollegiate sports competition make up the membership of the Fort Hays State K-Club. Besides representing the brawn of the campus, the organization is also active in many other fields. The K-Club assists the Tigerettes and the Campus Booster council in promoting programs to advance the school spirit and pep. The club also sponsors the annual Dog-patch party held each spring.

The highlight of the school year is the day the K-Club pledges make their appearance on the campus. Dressed in feminine attire, they give caricatures of everything from the modern flapper to the 19th century bloomer girl. Donald "Gabby" Davis served as president of the organization this year.

K - CLUB

TIGERETTES

WITH PEP AND ENERGY the gold sweated Tigerettes led the students in loyalty and enthusiasm through the seasons of athletics. The Tigerettes were in charge of Homecoming half-time which was made memorable; later during the basketball season, they presented their annual Varga calendar girls at halftime.

Leading these girls this year has been president, Jean Earl; vice-president Wilma Horner; secretary, Eleanor Stuppy; treasurer, Mary Lee James.

CHEERLEADERS

FORT HAYS' quintet of cheerleaders has proved itself as a peppy and loyal team which has led the student body through victory and defeat. Rosanna Healey, Gerald Huber, Patsy Earl, Bill Forney, and Donna Fay Cassel deserve highest praises for their energetic contribution to the school spirit of the student body.

An amendment to the constitution was proposed by the student council and adopted by the student body to change the cheerleaders' uniforms from black and gold to white. This has greatly improved the attraction which the quintet received.

HOMECOMING ROYALTY

THE 1948 HOMECOMING found alumni wandering in from far and wide to attend a weekend of festivities. The annual Tug-O'-War between the sophomores and freshmen was held Friday afternoon with the sophomores claiming victory. Friday evening was set aside for stunts presented in the Coliseum with Sigma Alpha Iota capturing first honors. On the morning of October 25 the house decorations were judged and again Sigma Alpha Iota took first place.

Preceding the afternoon game, a gala parade of floats and bands crept slowly down Main Street while a strong north wind kept onlookers stamping their feet. Phi Sigma Epsilon's "Toast to Victory" float took first place. To the organization placing in the most events a Super Pep prize was awarded. Phi Sigma Epsilon secured this award with Theta Sigma Upsilon taking second.

Members of the championship teams of 1917 and 1921 were special guests at the Homecoming and were given places of honor at the game.

Dr. Claire Wilson, a member of both championship teams, presented corsages and boutonnieres to Queen Mary Jane Kitchen, King Bill Bolan and Princess Elaine Williams and Prince Leland Page. Twenty-five bands led by Fort Hays' marched in review for the Homecoming Royalty during the half.

After the Tigers crushed the St. Benedict's Ravens 40 to 0 the Homecoming program was climaxed with a dance at the Coliseum.

Uncle Sam comes through

SPLINTER VILLAGE

LEWIS FIELD, a veritable city within a city, is called home by young college families numbering nearly four hundred strong. Last fall the colony elected Paul Andree as their first mayor and Harold Ellis, Charles Forsyth and Harold Gill as councilmen. Dr. Moreland and John Gertsner, caretaker, advised.

Lewis Field, democratic in manner symbolizes more than just row after row of apartment houses. It symbolizes future students, the American way of life, young fathers and mothers pursuing the good qualities of leadership, friendship, and loyalty in their school, Fort Hays State.

Lewis Field, where education is given a purpose and much of the stuffiness that marks the purely academic, will long be cherished by those who can later relate that they attended a college where they could live "at home."

Future Fort Hays party-makers

IN ACKNOWLEDGMENT

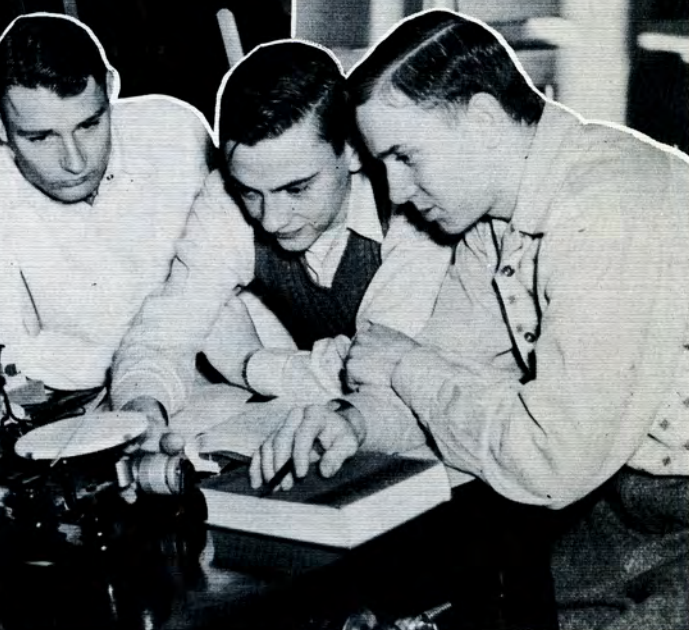

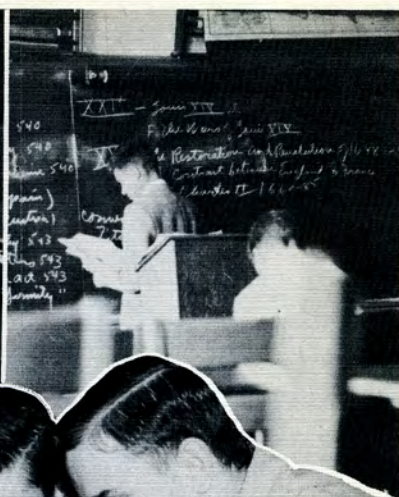

WE HEARTILY EXPRESS our thanks to Mr. Paul Bennett, year book manager of the Semco Color Press, for helpful advice and sympathetic understanding.

To these following photographers we extend our appreciation, Orlan Carmichael of the Moderne Studio, Bill Kitchen, "Chappy" Gingeraux and Don Burton, who have helped us through our trials and tribulations. Organizations submitting candid photos are also to be thanked.

We gratefully acknowledge Mr. Walter Wallerstedt for always being ready to lend a helping hand.

THANKS TO ADVERTISERS

THIS PAGE IS dedicated to the business men of Hays who have contributed their time and effort, as well as advertising, toward making this book possible. Students of Fort Hays State, long after they have been filed away in the alumni office as has-beens, will never forget the wholehearted support which they and their school have received from the merchants and professional people of Hays toward making this a better college and community.

The 1949 REVEILLE staff expresses a big Thank You.

ASK YOUR
Registered **JEWELER**
about gem stones

Before you buy any gem stone get the benefit of what your Registered Jeweler can tell you. He has made a special study of gem stones and can help you a lot in choosing.

To be a Registered Jeweler means that he has passed examinations by the American Gem Society and is qualified by study, experience and high business principles to serve you. When you buy gems, jewelry or silver, look for your Registered Jeweler.
